ABOUT US

Gopi Paper Mart (India) Pvt. Ltd. Is a Leading Notebook Manufacturer in Ahmedabad, Gujarat. A company that gives comprehensive solutions in the market of paper stationery. We offer products that are a must for every studious student and dedicated professional. Gopi Notebook is a success story that has emerged from decades of hard work, dedication, and an honest working system.

In 1997, Mr. Dimpu Patel started this industry and founded the company named Gopi Notebook.

In the age of hand ruling machines, Gopi Notebook committed to innovation and started working with the first automatic ruling machine in Ahmedabad. A machine that redefined the ruling technology. A story sturdy machine with a beautiful output that drastically improved the quality and quantity of production. The beauty of ruling was followed by experienced quality binders, designers, managers and the story started. In a couple of years, we started to glow as a fully matured star in the sky of paper stationery. A planned and professional marketing approach accelerated the progress.

Year by year a new summit was conquered. Thousands of traders and millions of users are a part of this success. As of today, we are not only the leading school notebook manufacturers in India but also one of the top office stationery manufacturers. Apart from individuals, we also have the strong support of many reputed social, religious, and educational institutions. Our specialty is that we offer a wide range of products for all classes of society. As one of the top notebook manufacturing companies, Gopi Notebook is for everyone, from millionaires to laymen. Finally, we the team of Gopi Notebook is proud to have our name in the hearts of millions of satisfied customers spread all over India and abroad
